ROKON has been a manufacturer of the world's most versatile and rugged all terrain vehicles for over fifty years. Our products are rugged and trouble free. Should your ROKON require parts or additional accessories, we can ship it to you direct from the factory. Our expert ROKON staff is available to provide answers to all questions on operation and maintenance.

Your ROKON will arrive on a pallet in a carton fully assembled except for the handlebars. All you have to do is open the carton, adjust the handlebars, fill with gas and oil and ride off for the best off-road experience of your life. We wish you years of riding pleasure.

ACCEPTANCE OF SALES AGREEMENT:
Full payment is due prior to delivery. Customer signing below agrees to the terms and conditions outlined herein.
